School Program Expansion to Four New States

Recently four new states have been added to B-ABLE's NSQF wing and these are Madhya Pradesh, Jharkhand, Telangana & Andhra Pradesh with 23, 26, 12 and 9 schools respectively. The trades allocated are Travel & Hospitality, Healthcare and Agriculture. Till September, school program expansion was limited to nine states which is now converted

to twelve states. With this leap the total number of schools have reached the figure of 674. This is the first Government Project approved in Southern States and is a commendable step for B-ABLE.

Advance Communication & Interpersonal Skills Training

HR Department had organized two days training session on Advance Communication & Interpersonal Skills on 19th & 20th December 2016 at BASIX Guest House. An external trainer Ms. Bhawani Sankar from Sammunati Foundation was called to conduct this training program. This two days Advanced

Communication Skills a strategy for course focused on how to capitalize on our communication with existing skills, fine-tune real impact. That was a our approach and build great learning and fun for all.

Guneet @ TISS

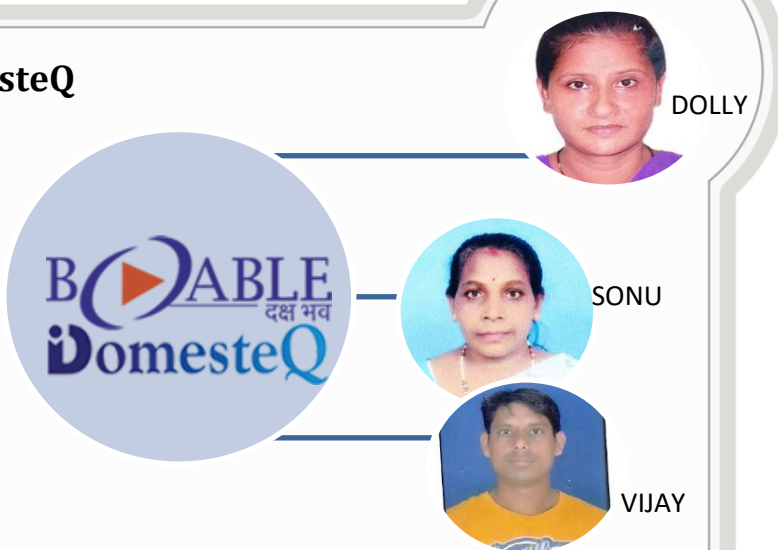

Ms. Guneet Sethi, Manager-Quality Assurance was invited by 'Tata Institute of Social Sciences' – Mumbai (TISS) to deliver a talk on 'Breaking the barriers of mind-sets and Inclusiveness'. This interactive session was organised on December 3, 2016 and was attended by all the faculty members and students of TISS. The talk was very well received and interaction with the students was overwhelming. It is really a proud feeling for all of us that our colleague got the privilege to be a part of the inaugural function of the week long event held by TISS.

Commendable Placements by B-ABLE DomesteQ

B-ABLE DomesteQ wing has provided creditable placements in December 2016 to its domestic workers. Dolly James and Vijay Singh are appointed on the highest salary for the month as nanny and driver respectively.

They are getting a pay packet of 18,000/- per month. Sonu Nirala is appointed as housekeeper with the president of Canon India, Mr Kazutada Kobayashi. B-ABLE DomesteQ has also generated good revenue in December this year.

Great Year for Eye Mitra Program

Year 2016 was another successful year for the team Eye Mitra. In rural areas of UP and Rajasthan the team promoted 1088 new micro entrepreneurs as Eye Mitra Opticians. Cumulative total Eye Mitras created in the program are 1966 in number.

Last year 15.70 lakh vision screening was done by these young entrepreneurs in rural

areas and facilitated 3.92 lakh wearers. Team of professionals including optometrist are working for development and sustainability of EMOs in 50 districts. Eye Mitra team is organizing more than 1000 vision screening events in the villages every month. 2.5 NVG supporting the initiative to support 10000 rural youth in India.

Cooking Training & Certificate Distribution

B-ABLE DomesticQ
organized 2 days
workshop cum training
on Indian Party Cooking
and Life Skills. Training
was imparted to 30
unemployed women.
James Joseph and Guneet
Sethi actively conducted
the workshop at AECWF,
Khidki Extension.

DomesteQ initiated such types of trainings to produce trained and job ready domestic workers. After successful

completion of the training, skill certificates were distributed to the beneficiaries. On the day of certificate distribution B-ABLE DomesteQ organised registration camp for domestic workers. Ms. Kriti Bhalla-Project Incharge (DomesteQ), Guneet Sethi and Chaarvi Mohan (QA Team) and Sudheer Singh (Sr Executive Placement) were present during the event.

Basic Computer Course at YTC

Computer Laboratory set up at Youth Training Centre (YTC), Telangana with 20 desktop computers provided by Tribal Welfare Department.

Even the PMKVY application is in process, training in basic computer course was started and 36 girls are currently undergoing this training in two batches. The course is based on NIELIT/MES syllabus and the duration is 45 days with 2-3 hours of theory and practical classes each day.

QA Team Conducted Four Trainings in Nov-Dec

With a purpose of 'capacity Building' of our trainers, the Quality Assurance Team continues to conduct Training of Trainers program for enhancing the facilitation skills of the trainers.

Content of the TOT's is customized to suit the needs of the project so as to get a desired outcome. The Quality Assurance team conducted 4 such trainings – 1 each for NSQF Haryana and Chhattisgarh and 1 each for Eye Mitra Project and Industrial Vertical. Total of 75 trainers participated in these sessions.

ToTs in MP & Haryana for NSQF Trainers

B-ABLE school program expansion in three states automatically raised requirement of trainers' training. ToT was conducted for the newly recruited vocational trainers at Bhopal in Madhya Pradesh facilitated by Mr. Gaurav Agarwal (Master Trainer of Tourism and Hospitality Sector Skill Council), Program

coordinator and project team. QA team conducted online session through skype for the participants. On 27th November'16 another ToT was conducted in Kurukshetra (Haryana) by quality assurance team with the help of program co-ordinator and HR representatives.

Skill India Exhibition At Kanpur

B-ABLE recently took active participation in the Skill India Exhibition (Kaushal Pradarshini). A great event held between 19th to 22nd December 2016 at Kanpur. The Exhibition reflected state-of-the-art vocational training practices across different sectors. Prime Minister Shri Narendra Modi

inaugurated the Exhibition. PM Modi launched an array of skill development initiatives for the youth of the country, including Pradhan Mantri Kaushal Kendras (PMKKs) and Drivers' Training Institutes. Candidates queued up in large number for registration under various Skill Development

programs. Gautam Gupta & Anees Qureshi's contribution in promoting 'skill exhibition' during the exhibition was highly commendable.

Industrial Vertical Training Workshops for Shell

B-ABLE industrial wing has imparted three training workshops each of 23 days for improving life and work skills. These trainings were conducted at Bhilwara, Jaipur & Delhi under

SHELL-NAYA DAUR, an initiative of Shell India Markets Ltd. These sessions were conducted for mechanics, sales executive, supporting staff, middle level management etc.

NSDC & Ingersoll Rand Visited B-ABLE Gurgaon

National Skill Development Corporation (NSDC) & Ingersoll Rand Ltd visited B-ABLE KITC centre to study the scope of technical training under CSR funding on 9th December 2016.

Naya Daur Industrial Training Started in Maharashtra

After successful completion of Shell Naya Daur training workshops in Rajasthan and Delhi, B-ABLE Industrial Vertical has moved to Maharashtra.

New training sessions of Shell India Markets Ltd have been started at Pune & Nagpur of 23 days each.
